Recommendation Letter

I am writing this letter to recommend Mr. (ALZAHRANI, ABDULRAHMAN MOHAMMED A) who is currently seeking admission to the master program at your institute. I have known Mr. (ALZAHRANI) more than two years. He was one of the students in the Finance Department at the Al-imam Mohammad ibn Saud Islamic University.

Mr. (ALZAHRANI) took some of the undergraduate courses which I have taught. His performance in these courses was very good and he was among the top 15%. He has shown very good performance in approaching the final goal by understanding the problem statement, suggesting the appropriate solutions and composing the report in a well-organized manner. He also displayed good skills in spoken and written Arabic and English during discussions and reports.

Moreover, I had the chance to recognize many of his personal traits through my observations over a span of two years, Mr. (ALZAHRANI) ambitious, hardworking, and has a respectful and disciplined personality. He is dedicated and well-motivated in his work, and can perform excellent as an individual and as a team member as well.

I could clearly say that he is very committed to pursuing his graduate education and I believe that he will be one of the best students in his class. Therefore, I do strongly recommend him for admission to the master program at your department.

Sincerely,

Dr. Mohammad K. Afaneh
